Re: KXXS(FM), Facility ID No. 19223

File No. BPH-20090811ACJ

Dear Ms. Dortch:

M&M Broadcasters, Ltd. ("M&M"), licensee of KBEY(FM), Facility ID No. 40764, Burnet, Texas, is writing with regard to the above-referenced application for modification of the licensed facilities of KXXS(FM). That application proposes the modification of the license for KBEY from Channel 223A to Channel 280A at its currently licensed transmitter site. M&M understands that while KBEY is within the Mexican border zone, and Mexican concurrence has been sought with regard to this proposed change, it has not yet been received.

M&M hereby confirms that, if the KXXS application is granted, it will file its own application for modification the KBEY facilities for a change in channel from Channel 223A to Channel 280A at its currently licensed site. In addition, if at the conclusion of the Commission staff's processing of the KBEY modification application, Mexican concurrence still has not been received, M&M will accept a grant of a construction permit conditioned on lack of Mexican objection.

Very truly yours,

M&M BROADCASTERS, LTD.
